Dear Comlanvi Adjamagbo,

Re: Regional Colloquium on 'Physics and Applications' 3rd Edition

We are honoured to invite you as a participant to Regional Colloquium on 'Physics and Applications' to be held in Ile-Ife, Nigeria from 25th to 29th July, 2022.

The workshop is hosted by the Center of Energy Research and Development, Obafemi Awolowo University, Ile-Ife, Nigeria. The objective of the workshop is to gather around common platform researchers, entrepreneurs and industries from the sub-region and around the globe so that they can disseminate their research results and innovations through oral presentations, share experiences through discussions and undertake academic and industrial collaborations. Your topic as accepted is « **An integrated AI-based Electrification planning tool – A comprehensive literature review and novel modelling approach for Sub Saharan Africa** ».

Please, note that the registration fee is \$100 only.

We look forward to seeing you.

Yours faithfully,
